

Initial Login Screen

The image shows a window titled "Employee Evaluations Application" with a standard macOS-style title bar (minimize, maximize, close buttons). The window contains a login form with two text input fields labeled "Username" and "Password". Below the password field is a blue button labeled "Login". The entire window is set against a light gray grid background.

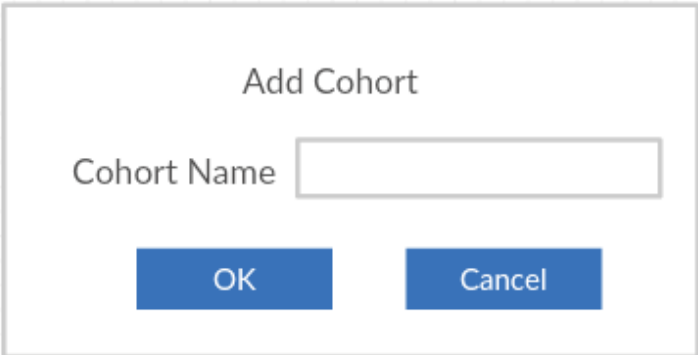

Admin Menu

If the login is by an admin the application will have this Main Window. Clicking a menu item will open another dialog box or window inside the main window.

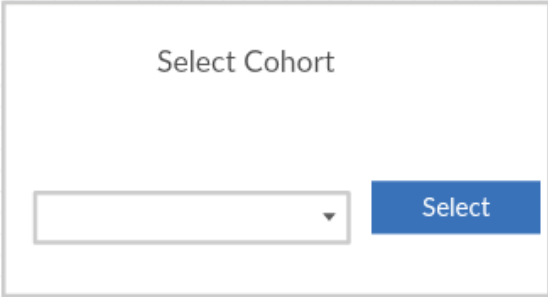

The image shows a window titled "Employee Evaluation Application" with a standard macOS-style title bar. Below the title bar is a menu bar with four items: "File", "Cohorts", "Stages", and "Reports". Under "File" is a dropdown menu with "Exit". Under "Cohorts" is a dropdown menu with "Add" and "Modify". Under "Reports" is a dropdown menu with "Employee Report" and "Cohort Report". The main area of the window is empty. The entire window is set against a light gray grid background.
